

Forge Building Company has one of the largest selections of metal wall and siding panel systems in the self-storage industry. Our metal siding panels can be used for new construction or to retrofit existing buildings.

**METAL PANEL WALL SYSTEMS:**

- Soffit vs. No Soffit
- Burglar Bars & Wire Mesh
- Diamond Kick-Plates & Corner Guards
- Conversion/Infill

For more information about getting started on your new custom self-storage facility contact our sales team.
