

At Forge Building Company, we're expert multi-story storage unit building contractors that can help you maximize your revenue from each square foot of land. Our team will provide you with innovative ways to build multi-story self-storage systems with efficiency and value in mind.

MULTI-STORY BUILDINGS:

- Build up to 4-Story Light-Gauge Framing
- Climate Control
- Bi-Level Buildings
- False Doors for Marketing
- Loading Docks
- Structural Engineering

For more information about getting started on your new custom self-storage facility contact our sales team.
